BROKER/AGENT strongly urges that all contact with TENANT(S) be made by and through BROKER/AGENT. Owner understands that a tenant has a right to peaceful quiet enjoyment of the premises and if Owner fails to keep all payments current, a tenant may have a right to withhold rent, break the lease agreement or hold Owner or agent liable for any damages they suffer as a result or Owner's failure to keep all payments current. Mediation is a process in which parties attempt to resolve a dispute by submitting it to an impartial, neutral mediator authorized to facilitate the resolution of the dispute but who is not empowered to impose a settlement on the parties. The parties will divide a mediation fee, if any, equally among the parties involved. Before the mediation begins, the parties agree to sign a document limiting the admissibility in arbitration or any civil action of anything said, any admission made, and any documents prepared, in the course of the mediation. This applies even if there is another arbitration or court action. However, the filing of a judicial action to enable the recording of a notice of pending action for order of attachment, receivership, injunction, or other provisional remedies, shall not in itself constitute a loss of the right to recover attorney's fees under this provision.
